

EKORNES®

Ekornes® FR Mattress

The Ekornes® FR mattress is the ultimate solution for safe and comfortable sleep at sea. Designed to meet the stringent flame retardancy and low emissions in fire standards set by the International Maritime Organization (IMO). And not only does it feel every bit as comfortable as a top-tier mattress on land, it is also flexible in the way it can adapt to several users in an environment with frequent crew turnover.

Mattress 18 cm:

Inside: POCKET 250 sp/m² MEDIUM or CH fire retardant FOAM - 17 cm.

Cover: quilted 54% PES 30% PAN 16% CV stretch fabric with 130 g/m² nonwoven wadding.
